## 2009 JURY

**Donna Baspaly:** Working experimentally in mixed media, Donna has won several awards for her art. She has sold her artwork worldwide to private and corporate collectors throughout her thirty-year art career. She has been a juror for numerous distinguished art competitions and is a member of the Board of Governors at the Federation of Canadian Artists. She was elected to Signature Status by the FCA Board in 1997 and also Signature Status with the Northwest Watercolor Society in the USA. After serving as Chairperson for the International "AIM FOR ARTS" she was given an honorary Lifetime Achievement Membership with the Federation.

**Catherine Moffat:** Catherine has painted professionally for thirty years and is proficient in pastel, watercolour, acrylic and oil. She holds SFCA status in the Federation of Canadian Artists and is an elected Artist in Residence at 'Painters at Painters'. Although known for her finely-honed traditional skills, she is strongly attracted to non-representational work, considering subject matter secondary to design and colour sensitivity. Catherine has had 24 one-person shows, and is represented by galleries in Victoria, Vancouver and Calgary.

**Brent Lynch:** Brent was born and raised in Vancouver and attended art schools here and in England. The power and energy of both his figurative and landscape works are a result of his passion for direct observation of the subject. Plein air painting and life drawing have always been the cornerstones of his work. Over his 30-year career, Brent has been honored with many national and international awards for illustration, design and fine art. His diverse portfolio ranges from portrait commissions and landscapes to large-scale installations. Brent continues to give workshops that are always challenging and innovative. He participates in selected solo and group shows and his artwork is featured in galleries in Canada, the US and Mexico as well as corporate and private collections worldwide.
